For administrators: Do you agree to accept any grant money received from NMCRC on behalf of the school and support the recycling/waste reduction plans described in this application? Note: Grant projects need authorization from school administrators to receive funding from NMCRC

Yes _____ No _____

2026-2027 School Recycling Grant NMCRC

Previous Grant Information

Has your school ever received a School Recycling Grant from NMCRC? Note: Being a previous grant recipient does not disqualify your school from receiving additional funding.

Yes _____ No _____

In what year(s) did your school receive grant funding from NMCRC? _____

How much money was your school awarded? If multiple grants were received, please separate with semicolons (ex: $250; $500). $_____

Provide a brief description of the project(s) that received funding from NMCRC _____

_____

_____

2026-2027 Project Description

In this section, you will provide a project description that explains your plan/program for reducing waste and/or increasing recycling. Your project description must address each of the following points:

- Project outline and school commitment
- Ease of project replication
- Likelihood of success and program sustainability
- Why the project is compelling and worthy of funding

Please attach a full description of the project for which you are requesting grant funding. Include information about the project timeline, any student involvement, education and curriculum integration, support needed from NMCRC or others, potential benefit(s) to the school, specific needs or considerations, and any other additional information to support your application.

For what, specifically, will the money be used? Please provide a detailed budget of all expenses, for example: Compost tumbler $120; Gloves $35.

Total amount of grant funding requested (whole dollar amount): $_____

What resources will be contributed by the school: _____

_____

This includes tangible and intangible contributions like staff time, tools, matching funds, materials, etc.
